

## Funtime

Boy George

Baby, baby, we like your lips  
Baby, baby, we like your pants  
All aboard for funtime  
Baby, baby, we want in  
We want some we want some  
All aboard for funtime  
Last night I was down in the lab  
Talking to dracula and his crew  
All aboard for funtime  
Oh I feel lucky tonight  
Want to get some and run around  
All aboard for funtime
