

# Love Is Leaving

Boy George

So Much Regret for Such a Young Heart  
But in the end who can you blame  
I'm not a fool, I'm here on your side  
I won't hear  
your lies again  
Hold Me tonight  
'Cause I'm blind with uncertainty  
I won't hide  
this fear inside  
'Cause I know  
Love is Leaving Me  
Yes I know.  
Gone around in circles for the last time  
I build you up  
you pull me down  
to see you strong  
That's my desire  
You wear the crown  
You wear the crown  
Hold Me tonight  
'Cause I'm blind with uncertainty  
I won't hide  
this fear inside  
'Cause I know  
Love is Leaving Me
