Taking On The World

Boys

What you doing 'cos you're getting it all wrong
Where you going 'cos you know you ain't that strong
What you doing when the wait becomes too long
What you doing, what you doing when your time runs out

Do you know what you wanna become now
Do you know if they really object now
Would you know if I asked you to say how
What you doing what you doing when your time runs out

Taking all the world... ah ah
Trying to be heard... ah ah
Taking on the world... ah ah
But a who wants to know when you're two nil down
Taking on the world... ah ah
Taking on the world... ah ah

Well I'd just like to say
That I can't find a way
To say what I wanna say
But even if I did I don't know what I'd be saying
