

Wonderful World

Boys

I don't know much about history
I don't know much about biology
I don't know much about science book
I don't know much about French I took

All I do know is that I love you
And I wonder if you love me too
What a wonderful world this would be
What a wonderful world this would be

I don't know much about geography
I don't know much about trigonometry
I don't know much about algebra
I don't know what a slide rule is for

But I do know one and one is two
And I wonder if you love me too
What a wonderful world this would be
What a wonderful world this would be

I don't claim to be an "A" student
That's what I'm trying to be
Cos by being an "A" student baby
I could win your love for me
