

## Let It Snow

Boyz II Men

Let it snow, let it snow  
Hey, it's another Christmas holiday  
It's a joyous thing let the angels sing  
Cause we're together  
We got a thing can't let it slip away  
No, outside its raining sleet  
When our bodies meet  
I don't care about the weather

Let it snow, let it snow  
Outside its cold but the fire's blazin'  
So baby let it snow  
Let it snow, let it snow, let it snow

Ohhh, come over here and help me trim the tree  
I want to wrap you up baby  
Maybe then you'll see you're the only present I need  
There's so much more  
Waiting for you in store  
From this precious day  
I can gladly say  
There's no place I'd rather be  
I know you are my everything, come a little closer  
God must have sent you down from heaven

Let it snow, let it snow  
Let it snow, let it snow (repeat 4x)  
I don't care what the weather may be  
As long as you're here with me
