

# You Don't Love Me

Boyz II Men

I don't think I know the definition of love  
Cause what you say it is and what I'm thinkin of  
You say you want a good man and  
But when you got one you don't know how to handle it...

Bitta sistas what you've become  
I was tryin to be the mister to make you come, to your senses  
But you wanted to be happy  
That's the main reason why you got at me

Cause you know that I'm an earner  
Legal dough...not a crook with a burner  
You can't understand what kind of love I give  
You never got over your last relationship

I showed how you should be done  
Before me...niggas used to smash and run  
You ain't tryin, stop lyin  
You never cared and I don't even know why I'm here

You don't love me  
I took you outta the club to live lavishly  
You don't love me  
How could you ever take advantage of me  
You don't love me  
Everything you are girl I made you  
You don't love me  
You never loved me

Your old dude used to hold you down and beat you  
I was trying to hold you how and treat ya  
To shopping sprees, jewels, cars and cruises  
All this without the scars and bruises

With him, all you show is signs of meekness  
May have took my kindness for weakness  
Also because I don't lay hands  
But that don't make me less of a man

Be easy...you're being disrespectful  
Don't get it twisted  
I will check you  
Why are chicks in check when dudes treat 'em like shit  
And good dudes get no love

You don't love me  
You're gonna miss me girl when I'm gone  
You don't love me  
Gonna remember what you did wrong  
You don't love me  
Never gonna find nobody like me  
You don't love me  
You never loved me

If you really loved me  
Girl it would show  
But you've been flippin on me

Now you gotta go  
Don't let nothing that I bought you walk out the door  
Cause I don't want you no more  
I don't want you no more
