

# Nobody Knows

Boyzone

I pretend that I'm glad you went away  
These four walls closing more every day  
Now I'm dying inside  
Nobody knows it but me

Like a clown, I put on a show  
The pain is real even if nobody knows  
That I'm crying inside  
And nobody knows it but me

Why didn't I say  
The things I needed to say  
How could I let my angel get away  
Now my world is just  
Tumbling down  
I can see it so clearly  
But you don't know we're around

Nights are lonely, days so sad  
And I just keep thinking about the love that we had  
Now I'm missing you  
Nobody knows it but me

I carry a smile when I'm broken in two  
And I'm nobody without someone like you  
I'm trembling inside  
And nobody knows it but me

I lie awake, it's a quarter past three  
I'm screaming at night if I thought you would hear me  
My heart is calling you  
And nobody knows it but me

How broken I get  
You could ask my heart  
But like a jigsaw puzzle it's been torn all apart  
A billion words couldn't say  
Just how I feel  
A million years from now you'll know it  
I'll be loving you still

Nights are lonely, days so sad  
And I just keep thinking about the love that we had  
Now I'm missing you  
Nobody knows it but me

Nobody knows it  
No, nobody knows it  
Nobody, nobody  
Sitting and the nights are lonely

Nights are lonely, days so sad  
I just keep thinking about the love that we had  
Now I'm missing you  
Nobody knows it but me

Nobody knows it

No, nobody but me

Nights are lonely, days so sad

I just keep thinking about the love that we had

Now I'm missing you

Nobody knows it but me
