

## Out In the Parkin' Lot

Brad Paisley

I'm sittin' on the fender of someone else's truck  
Drinkin' Old Crow Whiskey and hot 7 Up  
Out in the parkin' lot

You can hear the band playin'  
Right through the walls  
Ain't no cover charge  
Ain't no last call  
Out in the parkin' lot

[Chorus]  
Yeah, I love to see the neon dancin' on the gravel  
And I love to hear the pickup trucks as they come unraveled  
Some 've given up  
Some 've given in  
Looks like everybody's lookin' for a friend  
Out in the parkin' lot

Whoops, there's a couple  
Who could not wait to get home  
They're probably in love so let's leave them alone  
Out in the parkin' lot

There's a couple of cowboys  
Puttin' up their dukes  
But there weren't much to it after both of 'em puked  
Out in the parkin' lot

[Repeat chorus]

Now the band is on the bus  
And they're all loaded up to leave  
But the drummer's got a girlfriend  
And she's tuggin' at his sleeve  
Out in the parkin' lot

[Repeat chorus]

I'm sittin' on the fender of someone else's truck  
Drinkin' Old Crow Whiskey and hot 7 Up  
Out in the parkin' lot
