First of all this is Nas I'ma Braveheart veteran

And why'all already know who I'm better than

why'all know the beef in the hood it'll never end

Never hit the club unless I get's my berretta in

The letter N, short for Nasir

More drama than the President with North Korea

Gettin Krunk wit Lil Jon, he da livest in the south

Fuck around and you get wires in your mouth

Cowards I despise and my power keeps on risin

Niggas try to hate me but they keep recognizin

Who's the next label I'ma bury

CEO's, rappers and A&R's go to the rap cemetery

And ya all got guns but ya scared to use 'em

Six million ways to die, nigga choose one

I'm a Braveheart I'll be right here

why'all talk shit but I smell fear, motherfucker!

[Chorus]

[Jungle]

Ay yo, all these niggas they afraid of the Bravehearts

I'll take a razor open your face up  
I tried to tell these niggas we don't play  
I run up on you broad day with a A-K  
Cornball I can make your heart beat stop  
Pop pop your body drop from a couple shots  
When you see me in the street, we can handle the beef  
If you see me in jail you know you dead meat  
I be fighting and stabbin, shooting and laughing  
My ratchet blast on top of you bastards  
Committing sins in Cincinnati  
We'll drive by in all black caddy's  
A 21 gun salute  
Your last words be, please Jungle don't shoot  
Pussy, I'll put a slug between your eyes  
And stand there and watch your punk ass die

[Wiz]

I'm fuckin' wit them, Bravehearts  
My niggas is coming we just don't stop  
why'all niggas is running I'm just goin pop  
I twist up my gun up and slap your mouth  
With Lil John down south  
My religion is green motherfucker too late  
Since birth, I'm cursed, the worst motherfucka in da state  
Time and time again you niggas back down, laugh now  
Fuck ya numbers nigga ya'll all fake  
The hunt is on, fuck if I'm wrong, test my dead arm  
Robbery, heavily armed, might leave him gone  
Bang him duff him, actin like he don't know what's going on  
Hang em' rush em' get his clown ass his teammates wrong  
And oh he got a 22, give him the gauge the brave way  
God ain't going to save his bitch ass today  
Wait I'ma Braveheart I'll be right here  
why'all talk shit but I smell fear, mothafuckas!

[Chorus]
