

Make It with You

Bread

Hey have you ever tried
Really reaching out for the other side?
I may be climbing on rainbows
But baby, here goes
Dreams their for those who sleep
Life is for us to keep
And if you're wondering what this song is leading to,
I wanna to make it with you

I really think that we could make it, girl

Though you don't know me well
With every little thing only time will tell
If you believe the things that I do,
And we'll see it through
Life can be short or long
Love can be right or wrong
And if I chose the one I'd like to help me through
I'd like to make it with you

I really think that we could make it, girl

Baby you know that dreams their for those who sleep
Life it's for us to keep
And if I chose the one I'd like to help me through
I'd like to make it with you

I really think that we can make it, girl
