Breaking Benjamin

1. I see nothing in your eyes
And the more I see the less I like
Is it over yet
In my head
I know nothing of your kind
And I won't reveal your evil mind
is it over yet
I can't win
- *: So sacrifice yourself
And let me have what's left
I know that I can't find
The fire in your eyes
I'm going all the way
Get away with you
- R: You take the breath right out of me
You left a hole where my heart should be
You gotta fight just to make it through
Cause I will be the death of you
2. This will be all over soon
Pour salt into the open wound
Is it over yet
Let me in
- *: So sacrifice yourself...
- R: You take the breath...
- *: I'm waiting
I'm praying
Realize, start hating
- R: You take the breath...
