

# Cabaret

Brenda Lee

What good is sitting alone in your room,  
Come hear the music play  
Life is a cabaret of charm,  
Come to the cabaret  
Put down the knitting, the book and the broom  
It's time for a holiday  
Life is a cabaret of charm, come to the cabaret

Come taste the wine, come hear the band  
Come blow your horn, start celebrating.  
Right this way your tables waiting  
No use in permitting some prophet of doom  
Wipe every smile away  
Life is a cabaret of charm, come to the cabaret

I MEAN DOWN TO PETE'S PLACE!

Come taste the wine and beat the band  
Come blow your horn and start celebrating  
Right this way I got the best table waiting  
Stop your admitting from cradle to tomb  
HA! it isn't the longest day  
Life is a cabaret of charm, only a cabaret of charm  
So come down to, so come on down to the cabaret
