

Danke Schoen

Brenda Lee

Danke schön, darling, danke schön
Thank you for all the joy and pain
Picture shows, second balcony
Was the place we'd meet, second seat
Go Dutch treat, you were sweet

Danke schön, darling, danke schön
Save those lies, darling don't explain
I recall Central Park in fall
How I tore my dress, what a mess
I confess that's not all

Danke schön, darling, danke schön
Thank you for walks down Lovers lane
I can see hearts carved on a tree
Letters intertwined for all time
Yours and mine, that was fine

Danke schön, darling, danke schön
I wanna thank you for seeing me again
Though we go, we go our separate ways
Still the memory stays for always
My heart stays for always
My heart says danke schön

Danke schön, darling, danke schön
I said thank you for
Thank you for seeing me again
Though we go, we're gonna go our separate ways
But still the memory stays for always
My heart says danke schön

Danke schön auf Wiedersehen
