It's All Right With Me

Brenda Lee

It's the wrong tune and the wrong place Though your face is charming it's the wrong face It's not his face but such a charming face That it's all right with me

It's the wrong song and the wrong style Though your smile is lovely it's the wrong smile It's not his smile but such a lovely smile That it's all right with me

You can't know how happy I am that we're met I'm strangely attracted to you There's someone I'm trying so hard to forget Don't you want to forget someone too

It's the wrong game with the wrong chips Though your lips are tempting they're the wrong lips They're not his lips but they're such tempting lips So if some night you're free Dear, it's all right, it's all right with me

It's the wrong game with the wrong chips Though your lips are tempting they're the wrong lips They're not his lips but they're such tempting lips So if some night you're free Dear, it's all right, it's all right with me All right with me All right with me
