

One Teenager To Another

Brenda Lee

Kiss a guy, the kiss never ends.
Talk to lies to all of his friends
Boys will brag and not to their mother
One teenager to another

Date him twice, he's your steady date.
Boys act nice, but give you the gate
Talks around he's more than a brother
One teenager to another

Girls make small talk, over coke they chat
Boys make big talk mostly though their hair
Girls are kittin but who's the cat's meow
Men talk wild
Girls may flirt it's part of the game
Talk and hurt and give us a bad name,
Be a man stop big talking big brother
