

So good so right to be with you tonight

Brenda Russell

We're on the shores of nowhere
looking out to sea
i turn and kiss your face and you laugh at me, you laugh at me
how do i feel when I feel like praying
feel like saying
it feels so good so right to be with you tonight{chorus}
There is no space between the ocean, you, and me
Exchanging life force as we live and breath
together we'll be
how do i feel when i feel like being feel like singing feels so
good so right to be with you tonight{chorus}
you make me feel so young the way you laugh and play
like a child in the sun
you know I wanna stay
in love this way
how do i feel when i feel like praying, feel like saying
It feels so good so right to be with you tonight
