Third Uncle

There are tins There was pork There are legs There are sharks There was john There are cliffs There was mother There's a poker There was you Then there was you. There are scenes There are blues There are boots There are shoes There are turks There are fools They're in lockers They're in schools There in you Then there was you Burn my fingers Burn my toes Burn my uncle Burn his books Burn his shoes Cook the leather Put it on me Does it fit me or you? It looks tight on you
