One Rainy Wish

Brian May

Gold and rose, the colour of the dream I had Not too long ago Misty blue and lilac too Never to grow old

There you were under the tree of song Sleeping so peacefully In your hand a flower played Waiting there for me

I have never laid eyes on you Not before this timeless day But you woke and you, oh, smiled my name And you stole my heart away Stole my heart away, little girl, yeah Alright

Gold and rose, the colour of the dream I had Not too long ago Misty blue and lilac too Never to grow old

Gold and rose, the colour of the dream I had Misty blue and lilac too Gold and rose, the colour of the dream I had Misty blue and lilac too Gold and rose, golden rose, golden rose

It's only a dream

I'd love to tell somebody about this dream The sky was filled with a thousand stars While the sun kissed the mountains blue And eleven moons played across the rainbow Above me and you

Gold and rose, gold and rose The colour of a velvet wall that surrounds us
