Since You've Been Gone

Brian May

I get the same old dreams same time every night Fall to the ground then I wake up So I get out of bed put on my shoes and in my head Thoughts fly back to the breakup These four walls are closing in Look what a fix you put me in

Since you've been gone Since you've been gone I'm out of my head, can't take it Could I be wrong But since you've been gone You've got the spell so break it Oooh oooh Since you've been gone

So in the night I stand beneath the backstreet light I read the words that you sent to me I can take the afternoon, the night time comes around too soon You don't know what you mean to me Your poison letter, your telegram Just goes to show you don't give a damn

Since you've been gone Since you've been gone I'm out of my head, can't take it Could I be wrong But since you've been gone You've got the spell so break it Oooh oooh Since you've been gone

Everywhere you go baby you know you're never too far

Since you've been gone Since you've been gone I'm out of my head, can't take it Could I be wrong But since you've been gone You've got the spell so break it Oooh oooh oooh Ever since you've been gone

Since you've been gone Since you've been gone I'm out of my head, can't take it Could I be wrong But since you've been gone You've got the spell so break it Oooh oooh oooh Ever since you've been gone
