

Evil That Men Do

Bride

I need no one to show me
The way that I should live my life
I have no fears, I have no regrets
I have no need to apologize

Don't tell me
Don't give me
Don't teach me
I can't be deceived

Don't tell me
Don't give me
Don't teach me
Don't use me for

Evil, evil, evil that men do

They will say that I'm possessed
By a demon or better yet
A little green man from outer space
Who will destroy the human race

Don't tell me
Don't give me
Don't teach me
I can't be deceived

Don't tell me
Don't give me
Don't teach me
Don't use me for

Point your finger at me
You'll be brought to your knees

Evil, evil, evil that men do
God save them

Evil, evil, evil that men do
