

Show No Mercy

Bride

There's an incredible humor to my treason
I surrendered the dark side for a reason
I will lift my sword and fight to the end
I won't give up because i just began

Show no mercy

I won't lay my weapons down to rest
I'll give it my all, i'll give it my best
I will fight to win this war
Never settle for an even score

Show no mercy

I am strong and your are weak
Jesus gives me power to defeat
I can't be bought and won't sell out
The battle cry is good and loud

Show no mercy
