

# City Lights

Bridgit Mendler

1. It's a long road and it gets winding  
Fog is real low and it's so blinding  
Oh, I'm trying to steer trying to take the lead  
But I feel like the road is steering me  
Getting so lost like a castaway  
Feeling so cross like a renegade  
And I'm trying to call out in the big city  
Just a small voice and no one's listening to me  
Oh  
Tell me where to go  
Tell me that you know  
Just how bright I glow

R: Every time that you think you've lost your shine  
Just remember nothing's brighter  
You're the city lights  
Every time that you fade into the night  
Just remember you're the fire  
You're the city lights  
That shine into the night, night, night, night, oh  
Shine into the night, night, night, night, oh  
Shine into the night, night, night, night, oh  
Shine into the night, night, night, oh, oh

2. Oh, I'm blending in and I'm sticking out  
Like a sore thumb that they don't know about  
Wanna make peace wanna just breathe  
Wanna be the light that makes them all believe  
I'm the race car not the spectator  
I'm the hero not the narrator  
Hercules battling conquering everything, yeah  
Oh  
Tell me where to go  
Tell me that you know  
Just how bright I glow

R: Every time that you...

Everybody knows that everybody glows like the city lights  
Everybody knows that everybody glows like the city lights  
Everybody knows that everybody glows like the city lights  
Everybody knows that everybody glows like the city lights

The city lights  
Oh, oh, oh  
Ooooooh oooooh  
The city lights  
Whoa, oh

R: Every time that you think you've lost your shine  
Just remember nothing's brighter  
You're the city lights  
Every time that you fade into the night  
Just remember you're the fire  
You're the city lights

That shine into the night, night, night, night, oh  
Shine into the night, night, night, night, oh  
Shine into the night, night, night, night, oh  
Shine into the night, night, night, oh, oh
