

# Glow

**Britt Nicole**

Illuminating lights under my skin  
Radiation so intoxicating burning within  
Feel the heat slowly rising  
The beat that's hypnotizing  
A wonder can you feel it

Fire that's so contagious  
It's taking over me  
And you can't stop it

Oh, oh  
Turn the lights down so we can  
Glow, glow  
Watch us come alive  
We're gonna  
Show you something real  
Like a city on a hill  
Oh, oh  
We're gonna glow

They see us coming from miles away  
There's no hiding, no denying,  
'cause we're not ashamed  
With our hands up in the air  
Boys and girls they start to stare  
It's a wonder, can you feel it

We will not be silent  
Won't hide it  
The time is now  
And you can't stop it

Oh, oh  
Turn the lights down so we can  
Glow, glow  
Watch us come alive  
We're gonna  
Show you something real  
Like a city on a hill  
Oh, oh  
We're gonna glow

Oh, oh, here we go  
Welcome to the show  
Lights shining, so blinding  
From our head to our toes  
When this room blacks out  
You know we will stand out  
So come on, oh  
We're gonna glow!

They see us coming from miles away  
There's no hiding, no denying,  
'cause we're not ashamed  
With our hands up in the air  
Boys and girls they start to stare  
It's a wonder, can you feel it

Oh, oh here we go  
Like a shooting star  
We'll 1-1-1-light up your heart

They see us coming from miles away  
There's no hiding, no denying,  
'cause we're not ashamed  
With our hands up in the air  
Boys and girls they start to stare  
It's a wonder, can you feel it
