

Steel

Broder Daniel

Oh, it's all made of steel
They make it all out of steel oh, it's all made of steel
They make it all out of steel
Oh oh no
What you think you can not say
And what you feel you can not show
And what you think you can not say
And what you feel you can not show
No oh no
Oh, why don't I count
Why don't I count
Why don't I count
Why don't I count
Why oh why
