

You Bury Me

Broder Daniel

You
You bury me
Oh you, you dig my grave
You bury me
You, you
You destroy me
You, you
You destroy me
You break my heart
You are a heartbreaker
Oh it's you, oh it's true
You bury me
You, you
You destroy me
You, you
You destroy me
No, no
La la la...
Oh you send me to my grave
Aaah...
You bury me
You bury me...
