

Freak of Nature

BROODS

Dancing scars from long nights
I've been bruised by your light
Help me now, lonely lover
Show me how to uncover

Freak of mother, nature's game
I could blame her for my brain
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh

Days of darkness make me smile
Know I'm safe here for a while
Say you're happy, yeah, for real
Come to my side, got time to kill

Freak of mother, nature's game
I could blame her for my brain
Oh, oh, oh, oh
Oh, oh, oh, oh

Love made do crazy things
Loving life turned me insane
Love shoots the pain through my veins
Loving life turned me insane
And maybe it's beautiful
Maybe it's beautiful

Freak of mother, nature's game
I could blame her for my brain
Oh, oh, oh, oh
Oh, oh, oh, oh
Freak of mother, nature's game
I could blame her for my brain
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh

Dancing scars from long nights
I've been bruised by your light
Oh, oh
