

Taste Me

Brooke Hogan

Chillin in the bar
And I'm in the mood
You kinda got me feelin like you
You're damn lookin good
Better walk this way I'll take
Take advantage of you
I know it's sad I'm goin home alone
Gonna have to take you with me
I'm gonna go fast better get in the back
Cuz baby uhh

I think that I'm in love
But I don't know enough
The influence is hot
You almost got me lost
Some feelin drunk into another song
I can't control myself

You really wanna know (taste me)
Thought you were sweet
Wanted just a piece now tell me baby what would I say
What, you ain't makin since
Confused up in ya head
Drinks got you acting this way
I think that I'm in love
But I don't know enough
The influence is hot
You almost got me lost
Some feelin drunk into another song
I can't control myself

You really wanna know (taste me) You really wanna know (taste me)
Lemme break it down now Here we go
Stay with the beat me

(taste me)
Won't you taste me
I'm so tasty

I think that I'm in love
But I don't know enough
The influence is hot
You almost got me lost
Some feelin drunk into another song
I can't control myself
