

Don't Wanna Be In Love

Brooke Valentine

Baby, it's such a crime that love don't live here no more
The way you make me cry, now my eyes don't tear up no more
By the times you wait in line, my heart can't help but be cold
Don't wanna say goodbye but I can't take it no more

And baby I love you, I love you
You are my life, you are my life
And I don't want to be in love, if its not with you with you

Baby I tried to leave but I don't have direction
Don't know the road to take to find the resolution
Someone to show me the way natural, I really wanna know
I know I said I wanna leave, but you know I don't really wanna go

And baby I love you (boy you know I love you), I love you
You are my life, you are my life
And I don't want to be in love, if its not with you

You know you drive me crazy
So baby don't you walk away
I love you

Baby I love you, I love you
(You know I love you baby)
You are my life, you are my life
And I don't want to be in love, if its not with you
