My girl call me up she throwin a party
I click over and call everybody
Hittin' up a mall to get so sexy
It's Friday and I got my money

Ladies shake your hips get wit 'em
Fellas grab your crotch and flick 'em
Throw them hands up do your thizzle
If you feelin' like a mil

[Chorus:]

I'm feelin' like a million bucks
Just got paid jumped in my truck
Boomin' system movin' through me
They think it's dude
But it's me they see

[Repeat]

They know I know how to do the damn thang
I move my body left to right
They be checkin' me out like I'm a website
