

# Out Of My Head

Brother Firetribe

So much been said about falling in love  
So many things I've been dreaming of  
And when it comes down to you and I  
It proves every word'll be true  
And when you lay down in my arms  
I know there's Heaven on Earth  
And I want you to know  
I'll fight Hell to hold you no matter what  
I'll be standing right by your side

That feeling  
It's getting stronger  
Every day  
Taking me over  
It's easy to see  
You make me believe  
I'm with you 'til the end of time

R:  
I can't deny  
I'm out of control  
I've seen the light that shines from your eyes  
It makes me laugh, It makes me cry  
I'm out of my head over you  
I can't decide  
If it's Heaven or Hell  
To feel this way  
My heart's in flames  
I'm telling you, my baby blue  
I'm out of my head over you

If it's just a dream  
I don't wanna wake up  
It doesn't really matter if you're ready or not  
You shot an arrow through my heart  
It's any way you want it to be

Teasing  
Lifting me higher  
Pulling me  
Close to the fire  
It's easy to see  
You make me believe  
I'm with you 'til the end of time

R:

Out of my head over you

R:

No, I can't deny  
I'm out of control  
I've seen the light that shines from your eyes  
It makes me laugh, It makes me cry  
I'm out of my head over you

No, I can't decide  
If it's Heaven or Hell  
To feel this way  
My heart's in flames  
I'm telling you, my baby blue  
I'm out of my head over you
