## **Figaro**

## **Brotherhood of Man**

Ev'ry morning when sun is dawning
You'll see him down on the beach.
Look out girl better beware
Better take care keep yourself out of reach.
He's out to make a killing girl,
He's out to make a score and maybe
If you're willing girl,
He's gonna ask for more.

Oh, oh figaro he's got magico, oh. Oh, oh figaro he's a romeo, oh See him down on the beach He'll be looking for someone new Searching down on the beach, Figaro, Figaro.

When he plays guitar at the disco-bar Heÿs the star of the show
As the girls go by he just winks an eye See the pretty girls glow.
He's out to make a killing girl,
When dancing on the floor and maybe
If you're willing girl,
He's gonna ask for more.

Oh, oh figaro he's got magico, oh. Oh, oh figaro he's a romeo, oh See him down on the beach He'll be looking for someone new Searching down on the beach, Figaro, Figaro.
