The Real Thing

Brothers Johnson

So glad we've got a good thing You know you make my heart sing You are the real thing You know you make my heart sing

I've longed to have this chance
With you, I feel romance
It?s all for love and I want it bad

Seeing you is just a turn on And loving you, I want to hold on There's a feeling in my heart That just won't let you go

I?11 hold on, I?11 keep on (I?m holdin? on)
I?11 keep on, I?11 hold on (I?m holdin? on)
I?11 hold on, I?11 keep on I?11 hold on to your love

So glad we've got a good thing You know you make my heart sing You are the real thing You know you make my heart sing

So glad we've got a good thing You know you make my heart sing You are the real thing You know you make my heart sing

Seeing you is just a turn on Loving you, I want to hold on There's a feeling in my heart That just won't let you go
