

# Angry All The Time

Bruce Robison

Here we are  
What is left of a husband and a wife  
Four good kids  
Who have a way, of getting on with their lives  
I'm not old  
But I'm gettin' a whole lot older everyday  
It's too late to keep  
From goin' crazy I've got to get away

The reasons that I can't stay  
Don't have a thing to do with being in love  
And I understand that lovin' a man  
Shouldn't have to be this rough  
You ain't the only one  
Who feels like this world left you far behind  
I don't know why you gotta be  
Angry all the time

Our boys are strong  
A spittin' image of you when you were young  
I hope someday  
They can see past, what you have become And I remember  
Every time I said I'd never leave  
What I can't live with  
Is memories of the way you used to be

The reasons that I can't stay  
Don't have a thing to do with being in love  
And I understand that lovin' a man  
Shouldn't have to be this rough  
You ain't the only one  
Who feels like this world left you far behind  
I don't know why you gotta be  
Angry all the time

Twenty years  
Have come and went since I walked out of your door  
I never quite  
Made it back to the one I was before  
And God it hurts me  
To think of you For the light in your eyes was gone  
Sometimes I don't know why  
This old world can't leave well enough alone

The reasons that I can't stay  
Don't have a thing to do with being in love  
And I understand that lovin' a man  
Shouldn't have to be this rough  
You ain't the only one  
Who feels like this world left you far behind  
I don't know why you gotta be  
Angry all the time

I don't know why you gotta be  
Angry all the time
