

Dead Smart

Brutal Truth

You cut me down
behind my back
turn back the facts
reaching your conclusions
your theories lack the facts
and that's a fact

You think you have the answers
with not a shit to say
rip apart my every thought
before it's ever said
f**k off - f**king little trendy
brats bored of spending
mommy's cash

Blinding lies,
making believe it's real
thinking you're something...
yeah, you're dead smart

You think you have the answers
with not a shit to say
before you start to answer, i've
got one thing to say
f**k off - f**king little trendy
brats bored of spending
mommy's cash

Turn back facts
delusions, what you say
conclusions, what you said
