

Best Of Me

Bryan Adams

1. Sometimes words are hard to find
I'm looking for that perfect line
To let you know you are always on my mind
Ya this is love and I've learned enough to know
I'm never lettin' go no, no, no - won't let go

R: When you want it - when you need it
You'll always have the best of me
I can't help it - believe it
You'll always get the best of me

2. I may not always know what's right
But I know I want you here tonight
Gonna make this moment last for all your life
Oh ya this is love and it really means so much
I can tell from every touch No, no, no - won't let go

R: When you want it...
