

Here I Am

Bryan Adams

Here I am, this is me
There's nowhere else on earth I'd rather be
Here I am, just me and you
Tonight we'll make our dream come true

It's a new world, it's a new start
It's a life with the beating of young hearts
It's a new day, it's a new plan
I've been waiting for you
Here I am

Here we are, we've just begun
And after all this time, my time has come
Yeah here we are, still going strong
Right here in the place where we belong

Waiting for you
Here I am
Right next to you
Here I am
And suddenly the world is all brand new
Here I am
I am going to stay
And nothing's standing in our way
Oh here i am
