House Arrest

Bryan Adams

Well there's gonna be a party gonna make some noise Yeah we're invitin' all the girls - invitin' all the boys There'll be dancin' on the tables dancin' on the chairs Ya there'll be dancin' in the parkin' lots And up and down the stairs - alright Close the windows - lock the doors Turn it up now - pack the floors Cops are on the outside - landlord's on the phone Quick turn out all the lights Pretend there ain't nobody home!

It's a house arrest - everybody run I gotta plead guilty havin' - too much fun This is a house arrest - up against the wall We can't stop rockin' justa havin' a ball - One and all

Won't you come around to my place Don't cha know it's overdue You gotta bring your little lady wear your dancin' shoes Get a Yellow Taxi - take a limousine You gotta get there - it's gonna be a scene it's too late can't wait - get out while you can It was fun while it lasted let's do it all again

It's a house arrest - everybody run I gotta plead guilty havin' - too much fun This is a house arrest - up against the wall We can't stop rockin' justa havin' a ball One and all

We bin wakin' up the neighbours Bouncin' off the walls Hangin' off the ceilings We'll be dancin' in and out of the halls!

This is a house arrest everybody move Gotta plead guilty gonna raise the roof This is a house arrest...!
