The biggest lie you ever told your deepest fear 'bout Growin' old The longest night you ever spent the angriest letter you Never sent The boy you swore you'd never leave the one you kissed on New years's eve The sweetest dream you had last night your darkest hour Your hardest fight I wanna know you like I know myself I'm waitin' for you there ain't no one else Talk to me baby scream and shout I want to know you - inside out I wanna diq down deep - I wanna lose some sleep I wanna scream and shout - I wanna know you inside out I wanna take my time - I wanna know your mind Ya know there ain't no doubt - I wanna know you inside out The saddest song you ever heard - the most you said with Just one word The loneliest prayer you ever prayed - the truest vow you Ever made What makes you laught, what makes you cry What makes you mad, what gets you by You highest hight, your lowest low - these things I want to Know I wanna know you - like I know myself I'm waitin' for you - there ain't no one else Talk to me baby - scream and shout I want to know you - inside out I wanna dig down deep - I wanna lose some sleep I wanna scream and shout - I wanna know you inside out I wanna take my time - I wanna know your mind Ya know there ain't no doubt - I wanna know oyu inside out I wanna know your sould - I wanna lose control C'mon n' let it out - I wanna know you inside out Ya gotta dig down deep - I wanna lose some slieep I wanna scream and shout - I wanna know oyu inside out Tell me everything...
