

# The Tracks of My Tears

Bryan Adams

People say I'm the life of the party  
'cause I tell a joke or two  
Although I might be laughing loud  
and hearty deep inside I'm blue

So take a good look at my face  
You'll see my smile looks out of place  
If you look closer it's easy to trace  
The tracks of my tears  
I need you  
I need you

Since you left me if you see me with another girl  
Seeming like I'm having fun  
Although she may be cute  
she's just a substitute because  
You're the only one

So take a good look at my face  
You'll see my smile looks out of place  
If you look closer it's easy to trace  
The tracks of my tears  
I need you  
I need you

Outside I'm masquerading  
Inside my hope is fading  
Oh yeah since you put me down  
My smile is my makeup  
I wear since my breakup with you

Just take a good look at my face  
You'll see my smile looks out of place  
And if you look closer it's easy to trace  
The tracks of my tears

Just take a good look at my face  
You'll see my smile looks out of place  
And if you look closer, closer it's easy to trace  
The tracks of my tears
