

The Price of Love

Bryan Ferry

The wine is sweet, the gin is bitter
Drink all you can but you won't forget her

You talk too much, you laugh too loud
You see her face in ev'ry crowd

And that's the price of love, the price of love
A debt you pay with tears and pain
The price of love, the price of love
It costs you more when you're to blame

Kiss one girl, kiss another
Kiss them all, but you won't recover

You're dancing slow, you're dancing fast
You're happy now, but that won't last

And that's the price of love, the price of love
A debt you pay with tears and pain
The price of love, the price of love
It costs you more when you're to blame

Kiss one
Kiss one
Kiss one

Kiss one girl, kiss another
Kiss them all, but you won't recover

You're dancing slow, you're dancing fast
You're happy now, but that won't last

And that's the price of love, the price of love
A debt you pay with tears and pain
The price of love, the price of love
It costs you more when you're to blame
