

# Run Away

Bubba Sparxxx

I wanna runaway, (I wanna runaway) with you (I wanna runaway)  
I wanna runaway...Cuz baby you're my everything

I don't need this  
All I need is us  
C'mon girl, lets put it in the wind  
I don't care none, bout no one

If they loved us they shoulda did it when  
They had a chance  
But now the dance is over  
And for sure its highway time

Let the top down  
Can't stop now  
Explain the past baby I ain't tryin  
I ain't lyin

When I say we done came of age  
Ya know things dun change  
Time to spread our wings  
Fly to better things

Pack your suitcase today's the day  
Don't tell yo mama, don't tell yo sister  
It will only complicate the issue  
We'll mail em a box of tissue

The only one that loves you is right here with you  
Girl don't ever look back  
Our destiny awaits us  
In what ever place we park the brakes

I work my hands to the bone  
If that's what it takes ta  
Give us everything  
Our folks never had

I'm prepared for that  
It may take a while  
But ima make you smile  
Forever

I said a prayer for dad  
And...I know he's listenin  
At least to this one  
If he never heard none of the others

This is me and you  
And ima see it through  
From this highway to under the covers  
Baby

(ohhh ohhh ohhh ohhh oooooo)  
I wanna runaway, (I wanna runaway) with you (I wanna runaway)  
I wanna runaway with you... 'cause baby you're my everything  
I wanna runaway, (I wanna runaway) with you (I wanna runaway)

I wanna runaway...Cuz baby you're my everything

We got off the exit at Wayco  
Frankie J was on the radio  
I asked her was she afraid to go  
All the way with this

She delayed the no  
I said baby I jus need to know  
If you ain't down  
We can turn it around

Your happiness is my happiness  
And that's the only thing that's concernin me now  
Just hurt me now  
She said would you please jus let me talk for once

Then all at once she went into how  
Shed been tryin to prevent this all for months  
Not at all because she didn't love me  
And only me

Its jus that she  
Had withheld one vital piece of info  
She looked up at me  
Wit both eyes full of tears

She said you remember that day at the clinic?  
I went in wit the doctor and I told you I did it  
I wasn't able to go through wit it  
No you didn't

How could you  
Wait minute that makes you what?  
Three months and some change  
Well baby doll that jus ain't enough

To derail us  
'cause see that jus means there's three of us  
But answer this, at what point did you think this topic should be discussed?

I don't know whether to cry or smile

But somehow I'm doin both  
But this changes nothin  
I got two babies and I solemnly swear to be true to both  
Baby

(ohhh ohhh ohhh ohhh oooooo)  
I wanna runaway, (I wanna runaway) with you (I wanna runaway)  
I wanna runaway with you... 'cause baby you're my everything  
I wanna runaway, (I wanna runaway) with you (I wanna runaway)  
I wanna runaway...Cuz baby you're my everything  
I wanna run, wanna runaway, there's nothing they can do er say to make us st  
ay  
I wanna run, wanna runaway, there's nothing they can do there's nothin they  
can say  
I wanna run, wanna runaway..ahhhh oooh ohhh  
I wanna run, wanna runaway I want to runaway

Baby

I wanna runaway, (I wanna runaway) with you (I wanna runaway)  
I wanna runaway with you... 'cause baby you're my everything
