

# I'll Take A Chance On Loving You

**Buck Owens**

If you don't want to run around if you will really settle down  
I'll take a chance on loving you  
If you will be my very own if you'll be mine and mine alone  
I'll take a chance on loving you

Well there's lots of pretty girls in this wide wide world  
But none I've seen can hold a light to you  
You're the cutest the sweetest the nicest the neatest  
And I'll tell you what I'm a gonna do  
If you don't want to run around...

Well did you really mean it or did I just dream it when you said I was the one for you  
Now don't make me regret it too late to forget it the day that  
I fell in love with you  
If you don't want to run around...
