Sweethearts in Heaven

Buck Owens

If the angels have sweethearts then I want you for mine
I'd be a tramp and sleep in the street or I'd be a beggar with
rags on my feet
If I knew for sure when the time comes to part
Someday in heaven you'd be my sweetheart
Will there be sweethearts in heaven after we've crossed the lin
e
If the angels have sweethearts then I want you for mine
(If I should go first and leave you behind to face life alone b
ear this in mind
I'll be a waitin' if heaven's my fate
To take you by the hand just inside the pearly gates)
Will there be sweethearts...
