

# Living with Another Man

**Budgie**

I fell in love with a beautiful girl  
When I crossed the Atlantic  
She was a woman, worked with a friend  
I felt so romantic

I've gotta get away 'cos I know if I stay  
You won't be able to stop me  
I've got to run away, If I stay one more day  
I'll have to let you know how I see

I drove round to the tell my love  
I had to tell somebody  
I got there - Heavens above!  
She was married to somebody

I had no clues, inside my head  
I couldn't think what I should say  
I felt accused like I stated before  
It's not the time to make my play

I've gotta get away 'cos I know if I stay  
You won't be able to stop me  
I've got to run away, If I stay one more day  
I'll have to let you know how I feel

Living with another man  
She's living with another man  
I walked in when you know you can't  
She's living with another man
