

# Slipaway

**Budgie**

I, I, I, I, I, I, I, I, I, oh  
Um hmm, uh hmm,

In the morning  
Light of day  
Leaves are falling  
Slipaway, slipaway with you

And the reason  
That I told  
Is the feeling of never getting old  
Growing old with you

In the daytime  
Feel like it's almost gone  
And the evening gently lingers on  
And the feeling warms my glow  
Fading time  
Taking time we know

In the morning  
Light of day  
Leaves are falling  
Slipaway, slipaway with you  
Ooooooooooh, gently slipaway  
Ooh ooh ooh, gently slipaway  
Oh oh oh now, gently slipaway
