## On the Way Home

## **Buffalo Springfield**

When the dream came I held my breath with my eyes closed I went insane Like a smoke ring day when the wind blows Now I won't be back till later on If I do come back at all But you know me, and I miss you now In a strange game I saw myself as you knew me When the change came And you had a chance to see through me Though the other side is just the same You can tell my dream is real Because I love you, can you see me now Though we rush ahead to save our time We are only what we feel And I love you, can you feel it now
