

Dirty Little Secret

Bullet For My Valentine

There once was a time
When everything was just so perfect
Now everything has changed
And you become a total stranger

I've seen another side to you
I never even knew existed
Dirty little secrets, dirty little secrets
Giving in to your primal instinct

Another taste is what you're looking for
There's nothing left so you can't take anymore
You chew me up and spat me on the floor
Straight for the throat

You're like an animal
Aim for the kill
Like you're an animal
Straight for the throat, you're an animal

There once was a time
When anything I did was for you
But everything has changed
And I become a lonely prisoner

I killed, even died for you
You never even tried resisting
Dirty little secrets, dirty little secrets
Giving in to your primal instinct

Another taste is what you're looking for
There's nothing left so you can't take anymore
You chew me up and spat me on the floor
Straight for the throat

You're like an animal
Aim for the kill
Like you're an animal
Straight for the throat, you're an animal

(You're an animal)

Dirty little secrets, dirty little secrets
Dirty little secrets, dirty little secrets
Dirty little secrets, dirty little secrets
Dirty little secrets, dirty little secrets

Another taste is what you're looking for
There's nothing left so you can't take anymore
You chew me up and spat me on the floor
Straight for the throat

You're like an animal
Aim for the kill
Like you're an animal
Straight for the throat like...
You're like an animal

Aim for the kill
Like you're an animal
Straight for the throat, you're an animal
