## **End of Days**

## **Bullet For My Valentine**

We're wasting precious time The clock is ticking Can you hear the countdown With every hour Give me the power I need the strength to carry on On and on

No more I care to live When I'm just born to die We're all born to die Born to die (2x)

Never before, never again Behold this travesty Never before, never again Behold adversary (2x)

Befriend my enemies My pulse is racing I can hear my heart beat Is this the last time You get to be mine I lack the will to carry on On and on

No more I care to live When I'm just born to die We're all born to die Born to die (2x)

Never before, never again Behold this travesty Never before, never again Behold adversary (2x)

No more sorrows, no tommorows I've never felt alive before

With every hour Give me the power I need the strength to carry on On and on

No more I care to live When I'm just born to die We're all born to die Born to die (3x)

No more I care to live When I'm just born to die Born to die

To die (3x)
