

Waking the Demon

Bullet For My Valentine

Helpless, my eyes are bleeding
From the fear that's inside
You sealed your demise
When you took what was mine

Don't try to stop me
From avenging this world
No voice to be heard

Waking the demon
Where'd you run to
Walking in shadows
Watch the blood flow

There's not much longer
So don't try to fight
Your bodies weakening
Walk to the light

Those painful times
So alone so ashamed
I'm not coming back
There's nothing to gain

Caution there's just no limits
To the boundaries you push
I warned you but still you just
Fuck with my mind

There's no escape from
This rage that I feel
Nothing is real

Waking the demon
Where'd you run to
Walking in shadows
Watch the blood flow

There's not much longer
So don't try to fight
Your bodies weakening
Walk to the light

Those painful times
So alone so ashamed
I'm not coming back
There's nothing to gain

Breathe for me
Don't wake me from this slumber
Stay with me
Possession taking over

Breathe for me
Don't wake me from this slumber
Stay with me
Possession taking over

Breathe for me
Don't wake me from this slumber
Stay with me
Possession taking over

Breathe for me
Don't wake me from this slumber
Stay with me
Possession taking over

Waking the demon
