

All Kinds Of People

Burt Bacharach

Tall kind of people
Should be together
With small kind of people
Should get together
And talk to each other

All kinds of people
Should reach out
And help one another

Old kind of people
Should try to listen
To young kind of people
Should try to listen
And comfort each other

All kinds of people
Should reach out
And help one another

Light kind of people
Should feel compassion
For dark kind of people
Should feel compassion
And care for each other

All kinds of people
Should reach out
And help one another
